PERMANENT RULE (Including Expedited Rule Making)
Adopted under notice filed as WSR 19-21-095 on October 15, 2019 (date).
Describe any changes other than editing from proposed to adopted version:
WAC 192-500-185 Waiting period.
The proposed rule and the final rule differ only in (6) of this rule. The final rule makes it clear that a waiting period does not apply for leave taken for bonding after a child’s birth or placement. The proposed rule could have led to the conclusion that having a child would qualify as family leave instead of correctly being medical leave where a waiting week is required. This change provides that clarification that a waiting period is not required only for leave for bonding after the birth or placement of a child.

WAC 192-700-020 When does an employer need to provide a continuation of benefits to an employee who is on paid family or medical leave?
This proposed rule has been removed from this rulemaking based on stakeholder feedback. PFML will be giving this regulation further consideration before promulgating the concept.

WAC 192-810-030 How do individuals and entities request records from the department
The proposed rule and the final rule differ in two ways. First, the final rule requires public disclosure requests to be sent to the public records officer whereas the draft rule used permissive language indicating that public disclosure requests “may” be sent to the public records officer. Second, the final rule lists the contact information for the public records officer. This information was not present in the draft rule.
