☒ No: Please explain: All proposed rules are exempt under RCW 34.05.328(5). After review of the proposed rules, the agency determined the rules do not impose more-than-minor costs on businesses. Rules proposed are either interpretive or procedural. Definitions provided in these proposed rules clarify verbiage for processes in determining fraud, defining continued claim, and defining self-employed. The definitions do not impact procedures. Rules related to premium assessment and claims detail processes and procedures and add clarity to previous rules. Because of the connection to previous rules, there are no additional costs to businesses. Additional proposed rules address processes and procedures for employees benefit claims and would not produce costs.
